Option 1 - Pay as you Go

Stay in control and pay for what you get, once you get it...

Pay sum as of 'Month 1' at inception (no applicable refund)

Each subsequent period entered into will be invoiced.

Invoicing is set quarterly (1st day of March, June, September and December)

Option 2 - Standard Practice

One invoice, one payment, unbeatable rebate periods...

Total fee paid in full at inception.

Refunds apply to all periods not entered into.

Please Read: Monthly periods are set as 'per calendar month' from inception. All fees subject to VAT (at current given rates).
